Questions

- | | |
|--|-----|
| 1. Clarity of the exposition (excellent = 5) | 4.0 |
| 2. Speed of presentation (too fast = 5) | 3.0 |
| 3. Global assessment of the TA (excellent = 5) | 4.0 |

Comments and suggestions for the teaching assistant

- Not great not terrible. He was available when needed.
- To make the first coding classes more engaging, it would be great to include some interactive stuff like small challenges. That said, the TA was super available for questions, which was really appreciated—thanks for that!
- Alvaro was super helpful during the course, he was always willing and available to kindly help the students.
